## Geelhood Promoted to VP of Central Industrial, LLC

Central Industrial, LLC (CI) is pleased to announce the promotion of Chad Geelhood to the position of Vice President.

Chad began his career at Central over three years ago in the Central Industrial Group division of Central Conveyor. Chad's tenure began as a Sr. Project Manager, overseeing the GM Arlington Maintenance Blanket, as well as multiple equipment and conveyor construction and installation projects country wide. During this time, he has progressed into a Division Manager for the DFW Texas operations and has been largely instrumental in the development of business opportunities in that area.

Prior to joining the Central team, Chad was a contract Construction Manager responsible for the construction and launch initiatives of several OEM facilities with expertise in Paint Shops, Conveyance, Body Shop and General Assembly.

Chad holds a Master of Business Administration degree from Oakland University and a Bachelor of Science in Industrial Technology degree from Arizona State University.
